### **Research Paper: Self-Control - Coach Training School**

Self-control theory—often referred to as the general theory of crime—has emerged as one of the major theoretical paradigms in the field of criminology. This is no small feat, given the diversity of criminological perspectives that exist in general and the ever-growing roster of recently sprouted control theories in particular.

### **Self-Control Theory of Crime (Criminology Theories ...**

Self-control theory argues that a lack of self-control is neither a sufficient nor a necessary condition for crime to occur, because other properties of the individual or of the situation may counteract one's likelihood of committing deviant acts (Hirschi and Gottfredson 1993).
