PDA Society • Teacher's guide

PDA's Technical Report (TR) series on data integrity is intended to provide a roadmap for the creation and integration of a Data Integrity Management System as a core element of the QMS. Each TR in the series is intended to focus on a specific element of the QMS and to provide a detailed strategy and framework for establishment of controls and processes necessary to ensure data integrity within that area.

Data Integrity - Parenteral Drug Association (PDA)

The Cell Phone, like other notable compound items (such as the Ankh Shield and Terra Blade), is an extremely powerful and helpful item to have on hand. Like a real-life cell phone, it can tell you the weather, the time, and where you are, among other things. Its usefulness however comes with a cost: its construction is highly time-consuming and some components are extremely difficult to find.

Guide:Crafting a Cell Phone - The Official Terraria Wiki

The PDA is an accessory allowing the player to see their current speed and DPS, fishing information, the current moon phase, elevation, name of the nearest valuable item, name of the rarest nearby NPC, total number of monsters killed, time of day, and the weather. Like other accessories that give players information, it will work in the players inventory and players nearby will be able to have the same information.
