This fourth edition provides essential guidance on why respiratory protective equipment (RPE) should be used, what the law says and how to select RPE that is adequate and suitable. It also includes a useful dos and don'ts list for the management and supervision of RPE use.

Respiratory protective equipment at work: A practical guide

Library and information science (LIS) (sometimes given as the plural library and information sciences) or as "library and information studies" is a merging of library science and information science. The joint term is associated with schools of library and information science (abbreviated to "SLIS"). In the last part of the 1960s, schools of librarianship, which generally developed from ...
