I made a copy of the first card for each student and they glued it on the same page as their

foldable. Under each section of the foldable, they did the task under the flap so that they could see the difference between paraphrasing, summarizing, and quoting using the same text.

Summarizing, Paraphrasing, and Quoting Texts

A few weeks ago I wrote a post on note-taking skills. One common experience many people have, and that several people mentioned in response to that post, is that when they take good notes they remember things well enough that they rarely end up having to look at their notes again. In fact, it seems that writing

Writing and Remembering: Why We Remember What We Write

Quoting and paraphrasing. One of the primary features of academic writing is using books, journal articles, websites, and other outside sources ("the literature") to support your ideas.
