Editorial & Writers' Style Guides. Editing and Proofreading When a document is required to follow a given "style," this typically pertains to editorial style as opposed to writing style. By defining an editorial style, a standard can be established among all written material that helps clarify the writing and impose uniformity. Editorial style dictates the following areas:

Style Guides - Proofreading and Editing Services

The majority of titles are set directly into pages, omitting the galley stage. Below are instructions for checking each stage as well as general guidelines that pertain to both. General Guidelines for Proofreading. Proofread slowly and with great care. Do not read at your normal reading speed as you will easily overlook errors that way.

Checking Copyediting and Proofreading - wiley.com

Not exactly. Although many people use the terms interchangeably, editing and proofreading are two different stages of the revision process. Both demand close and careful reading, but they focus on different aspects of the writing and employ different techniques. Some tips that apply to both editing and proofreading. Get some distance from the text!
