This reference list was compiled by Robert Hare for personal use. Most, but not all, of the articles listed on these pages discuss or evaluate the PCL-R, the PCL:SV, the PCL:YV, and other Hare Scales. Links to available abstracts, and when available, links to the full text on the Journal web sites are provided (search for [full text] on the page below).

Main Psychopathy Reference List - Hare

The relationship between testosterone and aggression has been of interest to researchers for decades. A positive relationship is well established in non-human animals, but there is no consensus in the case of humans (Archer, 1991). Correlations run the gamut and replication has been difficult.

The relationship between testosterone and aggression: a ...

Conversation prompts float in the air, defaulting to a certain choice if too much time passes before selection. During action sequences, like chases or hand-to-hand, the cinematography moves into whilst Jodie performs the physical manoeuvre; during this time, the player must determine the direction Jodie is moving and push the controller stick in that direction to complete the action.
