Character Building 1 Pages 350 Words. In this class I learned about the six pillars of character which  
are trustworthiness, respect, responsibility, fairness, caring, and citizenship. Trustworthiness is  
basically just being honest, be reliable, be loyal, don't deceive, cheat or steal. All its saying is to  
have the courage to do the right thing.

What we keep calling "character traits" are the disciplines we find useful in building our  
character—and we can all make a pretty good list. They are learned in the process of making  
decisions and noticing the results. Building character is education itself, not a course of study.

Pen and Paper: Character Creation. The first step in building a character in Savage Worlds is  
choosing a race. Now, the players had the choice of Humans, Atlanteans, Fallen Angels, Androids,  
and Werewolves. I had spent a good amount of time working on making Angels usable and I was  
excited for them to be an option.

How to Create a Character Profile by The Lazy Scholar The Internet Writing Journal, June 1998 Path:  
Fiction > Characters One of the most important elements in a novel or short story is  
characterization: making the characters seem vivid, real, alive. One technique that many writers use  
with success is to create a character profile for the main characters in the novel.

Your character is defined by what you do, not what you say or believe. Every choice you make helps define the kind of person you are choosing to be. Good character requires doing the right thing, even when it is costly or risky. You don't have to take the worst behavior of others as a standard of comparison for yourself.
