Sample Social Work Integrative Paper

A literature review may consist of simply a summary of key sources, but in the social sciences, a literature review usually has an organizational pattern and combines both summary and synthesis, often within specific conceptual categories. A summary is a recap of the important information of the source, but a synthesis is a re-organization, or a reshuffling, of that information in a way that ...

Social workers play a vital role in helping physically and sexually abused children. In order to play this role, they need knowledge about the nature of the problem: (1) legal definitions of physical and sexual abuse, (2) its incidence and prevalence, and (3) its signs and symptoms. Social workers have three major roles to play: (1) identifying and reporting child abuse to agencies mandated to ...
