### **Sociology in Modules - McGraw-Hill Education**

Rural sociology is a field of sociology traditionally associated with the study of social structure and conflict in rural areas although topical areas such as food and agriculture or natural resource access transcend traditional rural spatial boundaries (Sociology Guide 2011). It is an active field in much of the world, originating in the United States in the 1910s with close ties to the ...

### **Rural sociology - Wikipedia**

The RURAL SOCIOLOGY MODULE presents the realities of life in rural America. Many people imagine a rural America characterized by farming, similar cultures, and close-knit communities. However, rural Americans and rural communities are extremely diverse--demographically, culturally, socially, economically, and environmentally.

### **Rural Sociology book by Carol A Jenkins | 1 available ...**

Rural Sociology Rural Sociology is a specialized field of sociology. It is the study of life in rural environment, which systematically studies rural communities to discover their conditions and tendencies to formulate the principles of progress. It is limited to various aspects of rural society in the study of rural social relationships.
