Paediatric Intensive Care Guidelines Frank Shann

The Paediatric Intensive Care Society (PICS) is a multi-professional group with members who work within or in association with Paediatric Intensive Care in the United Kingdom. The Standards documents have reflected the belief that critically ill children and their families have specific medical, nursing, technical and emotional needs that are best provided by Paediatric Intensive [...]

PICS Standards - Paediatric Intensive Care Society

The practice of pediatric critical care medicine has matured dramatically during the past decade. These guidelines are presented to update the existing guidelines published in 1993. Pediatric critical care services are provided in level I and level II units. Within these guidelines, the scope of pediatric critical care services is discussed, including organizational and administrative ...
