The Quality Paperback Book Club - Home | Facebook

The lowest quality book one can buy is the mass market paperback, which is printed on low-quality paper and is not really meant to last for an extended period of time or through multiple readings. The next step up would be a trade paperback, which is generally bound using a technique known as perfect binding. This is actually the same binding as the mass market paperback, but the trades are larger and use better paper, glue, etc.
