History. The first established settlement in Rough and Ready was made in the fall of 1849 by a mining company from Wisconsin, known as the Rough and Ready Company, during the California Gold Rush. Their leader, Captain A. A. Townsend, named the company after General Zachary Taylor (nicknamed "Old Rough and Ready") who had recently been elected the 12th President of the United States.

With something like fifty countries its difficult to recommend guides without breaking the continent down into different regions. These regions are generally visited independently, the North, West, South and East (South and East sometimes combined) and since most of these regions are not frequently visited, the number of good guides are few and far between.
