Honest review of Prolaw. Overall I'm satisfied, although I continue to search for a more (back end) user friendly legal software for our small firm. Pros. The front end of this program is very user friendly. The "files" are easy to navigate, and it's very easy to search with so many options. It's also very easy to keep track of time and billing ...

ProLaw is often a great fit for law firms that are at least 6 total users in size (solo practices and very small firms may find ProLaw to be "too much"). Better in the Cloud. Leverage ProLaw for your practice anywhere, without the need for on-premise servers and expensive IT support with a legal cloud platform such as Uptime Practice™.
