DD Year 11 got an A\* for GCSE maths last Nov. Her top set then started the OCR Additional Maths. They have just done a mock and she got a U as did about half the class. She struggles with it alot (obviously!), in fact finds some of it incomprehensible. She reckons with some work she might get it up to a D in the June exam. I certainly can't help.

Teachers registered with Cambridge International can download past papers and early release materials (where applicable) from our password protected School Support Hub, where a much wider selection of syllabus materials is also available to download. Look under 'Past Examination Resources' and filter by exam year and series.

### **Cambridge IGCSE Mathematics - Additional (0606)**

My additional maths exam is on June (on the same day as my gcse biology as well ) but I'm doing

past papers on it and stuff but I've been searching the grade boundaries for it but they all just say for an A its like 70% or something and not the actual mark u'd need for it. I know the grade boundaries change slightly every year but I really need an approximate mark for an A for each year instead ...
