Merely said, the sansui 500a user guide is universally compatible past any devices to read.

Sansui 500a User Guide

I strongly suggest using speakers about the same age as the 500a itself. They tend to be very sensitive to make the most of it's power and sound great. They are a great match together. Sansui made some great speakers like the SP-100 or SP-200 to match the 500a. My 500a sounds better on 50 year old speakers than on modern ones.

Sansui Products in Tube Era . It would be almost impossible to figure out exactly how many tube related products Sansui ever produced. An educated guess from the available information is about three or four scores of finished products, such as amplifiers, receivers, and tuners as well as a few hundreds of transformers.
