With this in mind, we have collected Writing Center resources that will be particularly useful for master's students writing their capstone.

### Home - Master's Capstone Writing - Academic Guides at ...

The goal of the capstone is to integrate public health curriculum with real-world public health practice. For many MPH programs, the capstone is a course that centers on a major public health research paper. The research paper covers a significant issue or topic in a student's area of interest and takes the place of a master's thesis.
