Being able to grab a Rare Candy and a Garchomp at the same time to evolve your Gible really helps speed up your strategy, or you could even find a Gible and a Level Ball if you need to get more Pokémon into play quickly. Focus Sash can come in handy as well, allowing your Fighting-type Pokémon to withstand a big attack and keep battling.

To many people, this guide will be boring if you're not committed to learning the art of Pokémon battling. You cannot consider every factor in this guide when creating your team, but the strategy is to use as much of the following information as you can. The more you can use, the better battler you will be.
