The key to author John Green 's success is his books' vivid and engaging characters, both major and secondary, who are trying to figure it all out. With his third book, Green seems to be developing a specialty -- thoughtful, talky stories about smart but clueless high school boys trying to figure out girls, love, and life while dealing with a crisis and a road trip.

Here is an example of a book review opening "The Devil's Company, a treat for lovers of historical fiction, sees the return of Benjamin Weaver in his third exciting romp through the varied and sometimes surreal landscape of 18th-century London. Weaver is an endearing protagonist, a former pugilist and investigator for hire whom we first met in David Liss's A Conspiracy of Paper (1999)."
