Palgrave Theories Of International Relations

The book suggests that viable theories must transcend current intellectual fashion, and attempts to bring together theory and practice while demonstrating the difficulty of assessing competing theories. It addresses multiple strands of thought and assumes that their development cannot be understood in isolation from each other.

Theories of International Relations - Palgrave Macmillan

The study of international relations began as a theoretical discipline. Two of the foundational texts in the field, E. H. Carr's, *The Twenty Years' Crisis* (first published in 1939) and Hans Morgenthau's *Politics Among Nations* (first published in 1948) were works of theory in three central
