There are sometimes many ways of approaching problems, and not all can be given here. Suggestions for further work based on some of these problems are also provided. P1 E 20 P2 B 8.50 p.m.

Primary Mathematics Challenge - February 2017

Well there are team maths challenges. At secondary they work in groups of 4 but at Primary it varies. I suspect they will be given problems to work on together against the clock. Glad you like my resources post, when I get a moment (probably the summer holidays) it will be updated as I know some of the links need updating.
