A Community for Video Game Collectors! - reddit

The retro video-game market rakes in around 200 million dollars annually. This despite the fact that we live in a bit-torrent age where consumers want and expect free entertainment. The reason for this paradox is simple: Just as art collectors eschew reproductions for the real deal, retro game collectors want the original.

The Retro Gamers Guide for Buying Used Video Games Online

This site is the presently virtual home for a computer, gaming and technology museum seeking a physical presence and place in the real world.
