### **Saab 9-3 won't start**

My coworker went to get gas, filled up, then started and went to pull away from the pump. He got several feet, turned, and it died. It wouldn't restart. He had it towed home. There are no codes, pending or active. It cranks fine. It only just barely sounds like it's trying to fire. Fuel pressure spikes between 40 and 50 psi when cranking.
