The capital structure is the blend of obligation and value that an organization uses to fund its business (30). (61) recommended that, in a world without scrapping spot, there is no contrast amongst obligation and value financing with respect to the estimation of the organizations. Proof recommends this doesn't hold actually. Today, the capital structure is a standout amongst the most vital ...

An Empirical Analysis Emphasizing on the Differences in ...

This article draws on a sample of state government health and human service managers to develop and test a model of work motivation. The authors examine the effect of individual attributes, job characteristics, and organizational variables on three aspects of work motivation: job satisfaction, organizational commitment, and job involvement.
