Sebastian Buhai's Research in Economics. Research Profile . I am primarily a Microeconometrician and Labor Economist, with further, eclectic interests in themes, as well as in theoretical and/ or empirical modeling tools, typical of (Applied) Microeconomics, (Empirical) Industrial Organization, Game Theory, and Social Networks.

Sebastian Buhai

Awesome! It occurs to me that one reason why people tweak this kind of formatting (rearranging

the order of content, or burying the year in an entry) is to cover up or minimize gaps in research productivity, as for example when nothing much happened in one's life professionally for a couple of years because of children or illness or ailing parents.

Dr. Karen's Rules of the Academic CV | The Professor Is In

Susan Alvey is an executive coach and expert in organizational and leadership development. She designs and delivers leadership development solutions for corporate clients and works closely with executives to ensure their people strategy supports their business strategy and aligns structures, roles, and incentives to optimize organizational functioning.

In South Africa, the LL.M. is a postgraduate degree offered both as a course-based, and as a research-based Master's. In the former case, the degree comprises advanced coursework in a specific area of law as well as (limited) related research, usually in the form of a "short dissertation", while in the latter, the degree is entirely thesis ("dissertation") based.
