Also, don't forget about international editions of textbooks. I found one for a summer class, and while everyone else paid upwards of \$100 for the book and sold it back to the bookstore for a measly sum (<\$30), I paid \$55 including shipping, and the only difference was that mine said international edition and was paperback.

### **what's your experience with using older editions of textbooks?**

When the difference between editions of textbooks is minimal, students can save hundreds of dollars per year on textbooks by buying a used copy of a previous edition instead of being forced to buy a new copy of the current edition.

### **Difference Between Editions of Textbooks | Synonym**

What to Do With Old Edition Textbooks By Erica Green . Many students find themselves in a dilemma at the end of a semester when bookstores will not buy back their textbooks. Students paid hundreds of dollars just months before, and now they can't recoup any of their money. However, there are other options, but students must be mindful of a ...

Another great way to get cheap textbooks is to purchase the previous edition of the textbook. Unless you're buying textbooks for a rapidly changing field like computer science or biology, odds are the previous edition has the same material as the most recent edition. Previous editions are usually 60-90% cheaper than the most recent edition, too.

### **Cheap Textbooks | Comprehensive Guide | Bookbyte**

The reason for this stretch of the definition is often for the short-term marketing advantage of the new textbook, because, although first editions are often considered more valuable than later editions to book collectors, being a subsequent edition of a previous textbook gives the impression that the textbook denominated as a subsequent ...
