If you are a regular user of kodi, then you must know that kodi supports various OS and Streaming devices. You would have used kodi on streaming devices like firestick, chromecast and other Android boxes. If you are a Roku streaming stick user, then your question now must be "can you get kodi on roku?"

**How to install kodi on roku streaming stick 1,2,3,4 ...**

Roku players, branded simply as Roku (/ ' r oʊ k u: / ROH-koo), are a series of online media players manufactured by Roku, Inc. Roku partners provide over-the-top content in the form of channels. The name comes from the Japanese word 六 (roku) meaning "six" and was named so because it was the sixth company that Anthony Wood (founder and CEO since 2002) started.

Lately, I have been getting questions regarding the fundamentals of cord cutting. I've since realized there isn't much information out there for folks who don't have the time to dig through tech articles looking for a way to watch TV without cable. With that in mind, I decided to put together a post covering every facet of every version of the Roku streaming device.
