Provisional Patent Application - Apply for "Patent Pending" ...

Determine the type of patent you need to protect your invention. Apply for a utility patent for a product that has a specific, clearly-defined benefit to society. Most inventions fall into this category. Patent protection offered by a utility patent lasts for 20 years from the day the patent is granted.

How to Patent an Invention (with Pictures) - wikiHow

The term of a design patent is 14 years, beginning on the date the patent is granted. This is in contrast to a utility patent term, which typically lasts 20 years and is measured from the application priority filing date. The process of preparing the application and technical drawings generally takes 2-3 weeks.
