I have the Prima Guide covering Skryim and all three DLCs. It's over 1000 pages long and the size of a large city phone book. I find that I use the UESP Wiki more often than the guide, but it's still nice to have to refer to without having to open an online site. I used it more frequently when I first started playing Skyrim.

An essential guide for the Elder Scrolls V: Skyrim. I normally avoid game guides, but Skyrim is such a massive game, some sort of reference is needed in order to unlock some parts of the game that are not immediately apparent. It also provides you with an accessible guide to character creation and potion / enchantment making.
