Anticipation/Reaction Guide. An Anticipation/Reaction Guide utilizes a twin strategy to increase reading comprehension: stimulate prior knowledge and experiences before reading and then reinforce key concepts after reading. The guide presents students with a series of leading questions to be answered in writing before reading.

Anticipation/Reaction Guide - Reading Educator

Once you've added the role Auttaja will ask you for a basic description of the role. This will display with the reaction role whenever your members are choosing it from the menu (which we'll show later in this guide). Once you have put in a role and brief description of the role Auttaja will then ask you to input an emoji to use for the reaction.

Reaction Roles Guide - Auttaja

The links below contain an example Reaction Guide that could be used after the students have read the George Orwell novel 1984. The statements provided refer to major themes found in the novel and center on topics that students may find controversial and easily debatable. With this activity, students were required to find outside sources to relate back to a particular statement that they chose ...

The Anticipation/Reaction Guide helps students activate and evaluate prior knowledge. Students make predictions based upon background knowledge and evaluate these predictions after exposure to new information. (H.L. Herber, 1978) Follow these steps to create an Anticipation/Reaction Guide: Identify major concepts or "big ideas" you want students to learn from the text.
