In this better-than-average textbook, Oregon State University professors Erik Larson and Clifford Gray split their time between discussing the process based elements of Project Management and the people based elements of project management. They are acutely aware that someone may be really talented ...

Project Management: The Managerial Process by Clifford F. Gray

Project partnering is a viable option to the traditional adversarial approach to the contractor/owner relationship in project management. Originally a spin-off of the Total Quality movement, partnering has been gaining popularity not only in construction projects, but in all types of projects. Project

partnering helps to build a united team with a common goal, which in turn improves quality ...
