### **Principles Of Macroeconomics 10th Edition**

Principles of Microeconomics (11th Edition) is wonderfully written and edited, it has lots of current events used as examples, and tons of illustrations. It's a little weak on the math (which is a plus to many people), so it can't really be used as a reference later on, but it covers a lot of material in a very in-depth way in medium to short ...

Principles of Macroeconomics (12th Edition) It may be the first time a chapter like this has been included in an introductory economics text. This chapter covers the research methodology of economics. We highlight some of the key concerns of empirical economics: selection issues, causality, statistical significance, and regression analysis.
