Part of the Longman Classics in Political Science series, this gold standard of parties texts has been updated to include an examination of the 2004 election, party plans for the 2006 midterms, as well as new data and examples on public opinion and congressional voting. Party Politics in America analyzes three primary components of parties--party organization, party in the electorate, party in government--and the interaction of these components, especially during election campaigns.

Party Politics in America - Google Books

A party system is a concept in comparative political science concerning the system of government by political parties in a democratic country. The idea is that political parties have basic similarities: they control the government, have a stable base of mass popular support, and create internal

mechanisms for controlling funding, information and nominations.

Party system - Wikipedia

The Fourteenth Amendment (Amendment XIV) to the United States Constitution was adopted on July 9, 1868, as one of the Reconstruction Amendments. The amendment addresses citizenship rights and equal protection of the laws and was proposed in response to issues related to former slaves following the American Civil War.
