Hi-- I should have listened to the review below. This book is not the right book, nor is it the same cover as shown above (green) because it's black and white and it's the 8th edition. It doesn't accompany the 9th edition like Amazon has it paired. Someone should really fix that. Anyway, there may not even be a book that does come with the 9th ...

I thought for hours that it was my calculation error, but after visiting the professors office (professor holds a Master's in Finance, as well as being a Certified Financial Analyst); he confirmed that the solutions were incorrect. Apparently, the solutions are incorrect as the Publisher uses tables for rates found at the back of the book.
