Principles Of Service Marketing 6th

Principles of Service Marketing. Marketing services is distinct from marketing products. The biggest difference is that services lack tangibility. Buyers can't see, touch or feel them. This increases the pressure on companies to project value and entice customers. Understanding the service marketing mix and other core service marketing principles...

Principles of Service Marketing | Chron.com

Identification. Service marketing is the process of making an intangible product into an experience that the customer will value, or benefit from. The four fundamental principles of marketing are product, price, place and promotion. Because of the intangible aspect of services, an additional three principles---people, process,...
