Cessna 172: A Pilot's Guide ... Well written and for the N & P Cessna 172, student or owner it is great for use instead of taking the owners manual. As a CFI, I find this book a great resource away from the plane. Owners manuals get beat enough, and the replacement cost is much higher. I recommend this book to anyone using the C172 N or P.

The 172 is the most built airplane in history at 43,000 copies. It is probably still safe to say there are more 172s flying in the U. S. than anything else and though production rates today are relatively low, that will remain true for a long time to come. That makes it a true benchmark airplane in a lot of ways, including that good safety record.
