Is there a website out there where you can print out your own dial cards? I know that it is desirable to have original number/dial cards, but what would really be nice is a place that you can print out blanks or even enter the phone number that you would like printed on the card and then just print out to a heavy stock cardboard like paper (in the comfort of your own home).

Printable dial cards - Classic Rotary Phones

I'd like to play around with making my own game dials, such as those in King of Tokyo, but I'm not sure what is best to use for fasteners. In larger board games it won't matter much, but I have a couple of projects where keeping the dials as thin as possible will be essential.
