Pacing guides are not an inherently bad idea. Their effects depend on their design and how district and school leaders use them. The best pacing guides emphasize curriculum guidance instead of prescriptive pacing; these guides focus on central ideas and provide links to exemplary curriculum materials, lessons, and instructional strategies.

Pacing guides. Because pacing is such an important part of education, many different sources put  
out "pacing guides" for specific topics. For instance, some textbook companies will create a guide  
specific to their book so that teachers have a framework that ensures all topics will be covered.
