I have owned the M520 for approximately 2 months now and have been trying to download and use the music manager. My problem is that the music manager has not been updated to include the driver for the Samsung M520. Someone from the help group at sprint suggested using it by selecting the M500 as the phone.

i've had my samsung m520 since march 3rd and i would like to lock my texts from my nosy little sisters. i am not sure of my user pin however. i have never set it before, so i assume it is the default(if there is one) pin. (i am talking about the pin under the settings-security from the menu) does anyone know how i can find out what it is or what the default pin is?
