Referencing A Chapter In Book

Usage Note: Though originally a noun, reference is often used as a transitive verb meaning "to supply (a book, article, or other work) with references." People also use the verb to mean "To cite as a reference" or simply "To mention or allude to." Though some traditionalists oppose these latter two uses of reference, the usage is most widely accepted when the context involves actual citing of ...

Referencing - definition of referencing by The Free Dictionary

A content note generally contains useful information and explanations that do not fit into the primary text itself. Content notes may be given as footnotes or endnotes or even a combination of both footnotes and endnotes. Such content notes may themselves contain a style of parenthetical referencing, just as the main text does.
