**Research Paper Font**

For an academic paper each publisher journal have their standards. These do not affect or are affected by the manuscripts sent in to the journal. Some journals specify fonts, commonly standard Times Roman, for their manuscripts. If the journal specifies something, follow that specification. Otherwise use a font that is easy to read.

**What is the standard/recommended font to use in papers?**

If it's to be published on paper, then use a font with serifs. If it's to be published on the web and read on old computer screens, then use san-serif. Modern computer screens have such a high pixel density that serif fonts read as well as sans-serif. If there is any mathematics used in the paper, I'd go with serifs.

**Which fonts should be used in a scientific research paper ...**

How to Format Your Research Paper. A table is labeled Table and given a number (e.g., Table 1). The table label and caption or title appear above the table, capitalized like a title, flush left.
