Looking for some websites that may have some examples of nursing documentation, charting, or nurses notes. If anyone knows of any please let me know. Thanks.

A nursing notes template is an important documentation for better clinical communication. Legible and appropriate nursing notes templates provide an accurate reflection of the nursing assessments, the changes in condition, the care provided, and pertinent patient information for supporting a multidisciplinary team to deliver great healthcare.

What Is a Nursing Note? A nursing note, as the name implies, is a note used by nurses, other practitioners of nursing care, or other therapy note professionals.. A nursing note typically carries a patient's basic and general information which may include information on the patient's appearance, along with his/her past and current medical condition.
