Product review on the QHY5 II Autoguiding camera kit

So Im trying to get ahold of a guide cam for my first attempts and guiding. A few here have suggested the QHY5 and Ive also read a lot of people on here use them and have said good things about them. But Im from the US and we dont have the plethora of astronomy shops and even few that even carry ...

QHY5 or QHY5 II? - Discussions - Cameras - Stargazers Lounge

You may have heard rumors to the notion that QHY5 and Orion Starshoot Autoguider are basically the same units with the same sensor...I have a west output lacking in my Starshoot so I took it apart. Guess what? (apart from the fact that two pins on the Cypress processor are short-circuited)

QHY QHY5L-II Color CMOS Planetary Camera & Autoguider ...

Hi all: I have a LX200 Classic 10" telescope and the QHY5-C camera. Till now, I've used the camera only for planetary photos, I've not used the autoguiding option because I don't know if the QHY5 is connected directly to the CCD port in the panel of the LX200 or it goes to the computer and via any software makes the corrections.

Autoguiding with QHY5 & LX200 Classic (Need help)
