Readings for Sociology, while comprehensive in scope, includes focused coverage of stratification. Garth Massey, whose research focuses on inequality, used his knowledge of the field and experience teaching the course when curating the reader, selecting pieces that provide students with a strong introduction to different forms of inequality.

### **Readings for Sociology | W. W. Norton & Company**

A strong emphasis has been placed on creating a productive mixture of classic and contemporary readings which is highly readable and lively, yet remains challenging. Whilst particularly useful as a companion to the seventh edition of Giddens and Sutton's Sociology, the reader is designed for use independently or alongside other textbooks.
