- Health Care Paper According to Health reform hits main street, "very few Americans" have read the healthcare reform law, possibly because it contains over 1000 pages of fine print (Roberts, 2010). I did not read this law either, but enrolling in this Public Health course has taught me many components of the healthcare system in America.

There are few issues as contentious in modern politics as the matter of universal health care. While most consider health care of some sort to be a basic human right, the question remains whether or not the state bears a moral obligation to create a system of universal healthcare for all of its citizens, or whether the free market can be expected to provide those services.
