GCSE Past Papers: Physics- Gateway (OCR)

I personally dont take alot of notes since the chances of me reading them when i already have a physics book is low. I do make some notes on very important info that i need to know for the exams but these are usually short and brief for helping me remember them rather than learn/revise them (which i use the book for). what have I achieved? for my recent physics test I got a low A which is a ...
