In sewing and fashion design, a pattern is the template from which the parts of a garment are traced onto fabric before being cut out and assembled. Patterns are usually made of paper, and are sometimes made of sturdier materials like paperboard or cardboard if they need to be more robust to withstand repeated use. The process of making or cutting patterns is sometimes condensed to the one ...

Making a pattern fit you is easy. All of my free patterns are made to a standard size UK12 for a figure that is 172cm tall (that's a US size 8 - 5ft 8" tall), but they can be easily adjusted at key points to go larger or smaller, taller or shorter.. First check your own measurements because there is no one definitive set of measurements, and sizes vary enormously.
