Which Fishing Kayak is Right for You? The bottom line in choosing the best fishing kayak for your needs is that there is no one-size-fits all. Before you make a decision on purchasing a kayak for fishing, the most important thing you can do is to take stock of where and how you plan to do most of your paddling and fishing.

2019 Fishing Kayak Buyer's Guide - On The Water

Next to the kayak itself, your paddle has the biggest impact on your performance on the water. Even a short tour involves thousands of strokes, so a proper paddle can make all the difference. To choose a kayak paddle, you need to consider four basic ideas: Figuring out the right size (length) of ...

How to Choose Kayak Paddles | REI Expert Advice

After 50+ hours of research and testing, we have chosen the BKC 220 as the best fishing kayak available. This yak will stand the test of time and continue to be a great kayak long after next year's models come out. Our pick has an excellent seat that's better than most models, increased speed that adds an extra appeal and the best design we have seen.
