Merely said, the response to production of documents is universally compatible with any devices to read.

Response To Production Of Documents

A request for production is a legal request for documents, electronically stored information, or other tangible items made in the course of litigation. In civil procedure, during the discovery phase of litigation, a party to a lawsuit may request that another party provide any documents that it has that pertain to the subject matter of the lawsuit. For example, a party in a court case may ...

A motion to compel asks the court to order either the opposing party or a third party to take some action. This sort of motion most commonly deals with discovery disputes, when a party who has propounded discovery to either the opposing party or a third party believes that the discovery responses are insufficient. The motion to compel is used to ask the court to order the non-complying party ...
