Effectiveness of Social Media as a tool of communication ...

Media, like data, is the plural form of a word borrowed directly from Latin. The singular, medium, early developed the meaning “an intervening agency, means, or instrument” and was first applied to newspapers two centuries ago. In the 1920s media began to appear as a singular collective noun, sometimes with the plural medias. This singular use is now common in the fields of mass ...

Censorship In the early 2000s, some aspects of the media were under government control. The biggest issues facing the press concerned the limits to its freedom, the responsible use of that freedom, the relationship between the press and the Jamaican government, the influence of imported content, and the role of the press in the development of young, independent countries.
