Return to Speculative Fiction · Print/Mobile-Friendly Version. Science fiction has come a long way since its early days, when Isaac Asimov defined it as "that branch of literature which is concerned with the impact of scientific advance upon human beings" (Modern Science Fiction, 1953). By the 70s, the genre of science-based ideas had grown; it wasn't just concerned with science, but with ...

The apostrophe (' or ') character is a punctuation mark, and sometimes a diacritical mark, in languages that use the Latin alphabet and some other alphabets. In English it is used for several purposes: The marking of the omission of one or more letters (as in the contraction of do not to don't).; The marking of possessive case of nouns (as in the eagle's feathers, or in one month's time).
